OFFICIAL SOUVENIR PROGRAM
FALL & WINTER SPORTS 2018-19

FROM THE PRINCIPAL

Towson High School's Tradition of Excellence Begins with You!

Welcome to our winter sports season. This time of year typically represents a time to give thanks. We are thankful for all of our coaches, students, and parents that demonstrate leadership on a daily basis.

We appreciate the dedication of our community partners that continue to strengthen our program. Our parents work diligently for the greater good of Towson students by devoting countless hours of support (donating time to concession stands, attending meetings, fundraising, supporting our coaches, and cheering for our athletes). The references of support represent only a portion of our parent's efforts. Right now is the perfect time to join the THS Athletic Boosters and show your support of our student athletes! Please visit <http://towsonhighsportsboosters.com>.

All of our Generals are to be commended for their individual and collective efforts.

Our athletes and coaches demonstrate great dedication to their school, sacrifice for their team, and leadership in their community with every moment of participation beyond normal school hours.

I want to thank all of you for your dedication to our athletic program. We value your commitment to our young adults; their accomplishments are a direct result of your collaborative efforts. Participation is the key to success in anything in life. Our student athletes certainly mirror your dedication.

Sincerely,

Charlene DiMino

JV Field Hockey (4-5-1)

This season was a successful one. The girls were 4-5-1 with a total of 16 goals all season! Our offense, mid field, and defense all stood out in different ways in every game. We look forward to seeing these ladies grow as student-athletes over the next 3-4 years. Already looking forward to next season.

JV Girls Soccer

To say it was a fun and exciting year is an understatement. The team finished the season with 8 wins, 1 loss, and 2 ties and only fell a half game short of reaching the JV County Championship.

Out of the 24 players on the team, 15 of them scored goals throughout the season. The team demonstrated wonderful skill and competitiveness on the field beating top opponents like Catonsville, Sparrows Point, and of course, DULANEY!!! Team also had very exciting and well played games vs Perry Hall and Hereford that ended in ties. Even with all the success on the field, the most impressive part about this team was their commitment and support to each other, and especially their overall enjoyment of learning and playing the game. From all the coaches in the program, we are extremely proud of this group of players!

JV Boys Soccer (10-4-1)

Greetings from the Athletic Department!

As Director of Athletics, I would like to welcome everyone back for another exciting winter sports season at Towson High School. I think it's important for you to understand what I believe regarding the essential components of a successful athletic department. They include: a positive experience for every athlete and a sense of camaraderie as well as an environment that ensures high ethical standards and expectations for fairness, equity, and sportsmanship for all our student-athletes and coaches.

A successful athletic program includes dedicated coaches, active support from the student body, outstanding leadership from school administrators, and most importantly, a great sense of pride fostered by the entire community. It will be our mission to facilitate all those facets together to create a highly successful athletic program that we can all be proud of. Athletes: Play hard, play fair, and dedicate yourself to be the best you can possibly be, but most importantly, have fun! The rewards will stay with you for the rest of your life.

We will not win every game in every sport in every year. But we will create an environment where student-athletes work as hard as they can to win each game and, along the way, learn the life lessons of preparation, teamwork, and dedication that athletic competition can teach us all.

I hope that you're excited for our winter sports season. This privilege extended to your son or daughter will lay the foundation for future success in life. I am honored to be associated with Towson High School Athletics. I will work hard on your child's behalf to promote and strengthen the values of our programs.

Thank you,

Justin L. Nash
