OFFICIAL SOUVENIR PROGRAM  
SPRING SPORTS 2018

FROM THE PRINCIPAL

## Towson High School's Tradition of Excellence Begins with You!

Welcome to the spring sports season! As we embrace the warm weather, we look forward to continuing to support our student athletes.

Our students excel by demonstrating leadership on and off our fields.

We appreciate the dedication and efforts of our community partners that continue to strengthen our program. During the start of this season, we inducted 5 outstanding alumni into the Hall of Fame. Our former students and coaches, in collaboration with Mr. Nash, athletic director, are to be commended for their outstanding demonstration of leadership.

Towson High School's talent is showcased on our athletic fields every day. Our athletes and coaches demonstrate great dedication to their school, sacrifice for their team, and leadership in their community with every moment of participation beyond normal school hours.

Thank you to our coaches, parents, and teachers for your loyal support of our many athletic programs. We value and appreciate your dedication to our young adults; their accomplishments are a direct result of your collaborative efforts. Participation is the key to success in anything in life and our student athletes certainly mirror your dedication.

Please visit <http://towsonhighsportsboosters.com> for additional information of how you can become involved to support our athletic program.

Sincerely,

*Charlene DiMino*

This season the Girls JV Basketball team finished 10-3 with big wins over Pikesville and Loch Raven, as well as clutch scrimmage wins against IND and Maryvale. The highlight of this season was our 31-29 win over Lansdowne. The team played "team basketball" and their coach was extremely proud of the way they played.

### **JV Boys Basketball (10-8)**

The JV Basketball team had a great win-loss season (10-8). They enjoyed their share of big victories and emotional defeats. In the end, the measures of success are not the statistics or wins, rather, they are the friendships, and lessons learned and maturing that are the result of selfless commitment to the team and dedication to personal betterment. Congratulations on a great season!

# JOIN TOWSON HIGH SPORTS BOOSTERS TODAY

## What is Towson Sports Boosters?

We are a group of parent volunteers who are dedicated to improving the athletic experience at Towson High School.

Baltimore County pays for a limited amount of the school's athletic program, including coaches' salaries, official's compensation and bus transportation to away games. All other expenses associated with the athletic program must be funded by the individual school.

This revenue comes from sources such as gate receipts, concession stands and Sports Boosters.

## Why Join?

Sports Boosters invests in the Towson High School athletic program each year in areas such as:

\*Playing Fields \* Facilities \* New Uniforms \* Team Equipment \* Awards\*

These improvements and purchases would NOT occur without your support.

Joining Sports Boosters is not just about writing a check. We want every member to feel that they are contributing to their child's athletic experience, not just on a monetary level, but also through involvement in the organization. We would love to have more parent volunteers sharing their expertise, connections or just a small amount of time.

### There are many ways to get involved:

\*Marketing \* Fundraising \* Concessions \* Events \* Spirit Wear\*

Email Wilbur Schneidereith at [wilbur@schneidereith.com](mailto:wilbur@schneidereith.com) if you would like more information.

In order to give our student athletes an outstanding athletic experience, we need 100% membership participation in Sports Boosters.

Please join online at <http://towsonhighsportsboosters.com>

## FROM THE ATHLETIC DIRECTOR

As Director of Athletics, I would like to welcome everyone back for another exciting spring sports season at Towson High School. Towson High School's rich heritage is reflective in its "Tradition of Excellence" both in the classroom and in its athletic program. Collectively this past winter 73% of our student-athletes earned "All-Academic" status as having earned a quarterly grade point average of 3.0 or higher. We have a lot to be proud of and this winter **Hannah Taylor** won the 3A State Championship in Pole Vault, our Varsity Girls' Basketball team made it to the Regional Championship once again and countless athletes earned all-division and all-county honors.

We will continue to build on our successful athletic program this spring. We believe our success is built on our dedicated coaches, active support from the student body, outstanding leadership from school administrators, and most importantly, a great sense of pride fostered by the entire community. It will be our mission to facilitate all those facets together to create the best athletic programs possible. Athletes: Play hard, play fair, and dedicate yourself to be the best you can possibly be, but most importantly, have fun! The rewards will stay with you for the rest of your life.

We will not win every game but we will create an environment where student-athletes work as hard as they can to win each game and, along the way, learn the life lessons of preparation, teamwork, and dedication that athletic competition can teach us all.

I hope that you are excited for another sports season at Towson High School. I am honored to be associated with Towson High School Athletics and I will work hard on your child's behalf to promote and strengthen the values of our programs.

See you at the games. Go Generals!
